

Christina Pilat

Full Stack Web Developer

Tampa Bay Area, Florida | 727-389-1557

Email: Cpilat41@gmail.com | LinkedIn: [LinkedIn](#) | GitHub: [GitHub](#)

Technical Skills:

Languages: Javascript, HTML, HTML5, CSS, MERN

Databases: MongoDB

Framework/Libraries: Express, React, Node.js

Version Control Systems: Git, GitHub

Technical Projects:

GrocerySwap ([Neighborhood-Bartering](#)) | Group Project | 2022

MERN based app for trading local food products to reduce waste and create eco-friendly food swaps in local neighborhoods.

- Work with two other students in a team effort to design a full CRUD application with functional create, read, update, and delete features
- Integrated React with one-to-many relationships using MongoDB to create trade commenting capabilities.
- Created login and registration using back-end validations and web tokens for a secure and personal user experience.
- Implemented Bcrypt's password hashing to secure sensitive user account information
- Developed and linked 3 models using NoSQL, MongoDB, enabling users to comment & track their trades
- Implemented, designed, and styled CSS for complete responsive design

Abiblio Bookshelf ([Personal Library](#)) | 2022

MERN based app for tracking books you want to read based on how they make you feel; a personal playlist for books.

- Developed a full CRUD application featuring create, read, update, and delete
- Leveraged React with CSS to populate list tracking with seamless front-end
- Developed back-end with Express Framework and MongoDB for flexible structure
- Created login and registration using front-end validations and web tokens for a secure user experience

Work Experience:

Bookkeeper & Administrative Assistant | Pilot Pool Service, Inc | 2021-Current

- Reconciled invoicing and billing for over 150 accounts using Quickbooks & Microsoft Excel
- Cultivated customer relationships and maintained service communication
- Collected payments, drafted credit cards, and settled account balances for over 150 accounts

Administrative Accounts Receivable | FCS, Inc. | 2019-2021

- Managed billing and invoicing portals for major corporations such as Publix and Speedway
- Maintained accounts receivable invoicing for over 500 accounts
- Nurtured relationships with high-level clients with utmost discretion when dealing with sensitive information
- Oversaw the out-of-town division of service - managing dispatching, communication, and problem-solving
- Collaborated with a team to maintain a positive working environment

Blogger | Co-Founder of [Fromunderapalmtree.com](#) | 2016-2018

- Designed and deployed the website using WordPress hosting
- Managed SEO and social media including Facebook, Twitter, and Instagram using Tailwind and Hootsuite

Education:
